## PHI THETA KAPPA AWARDS

Phi Theta Kappa's first awards were presented for individual prose and poetry entries. The earliest chapter awards included:

- **Tri-Forum Award** – for an outstanding project on the Phi Theta Kappa Honors Theme, forerunner of the Honors Study Topic
- **Mosal Cup** – for the best yearbook entry
- **Gamma Sigma Travel Award** – recognizing the chapter who traveled the greatest distance to the Annual Convention
- **Outstanding Male and Female Sponsor Awards** (sponsors are now known as advisors)

By the mid-1970s, awards were also presented to the top 10 chapters and advisors, and to the most distinguished member, advisor, alumni advisor, college president and alumnus. Many awards were presented by friends of Phi Theta Kappa, by advisors and by chapters to recognize specific achievements. Additional creative awards were presented to entries in the categories of art and music.

In 1988 the first Awards Task Force was appointed and charged to bring equity and specificity to award offerings. From this Task Force came the Five Star Chapter Plan and Hallmark Awards Program.

The Five Star Chapter Plan was established to provide a step-by-step guide for building a strong chapter and an understanding of the level of

programming needed to be competitive against other chapters. Chapters are recognized for Five Star accomplishments but do not compete against other chapters for recognition.

The Hallmark Awards introduced the first recognitions based on the Society's Hallmarks of Scholarship, Leadership, Service and Fellowship, incorporating the mission of the organization. The first standardized awards application process was established, criteria drawn, and categories developed. As a result, more chapters had opportunity for recognition of chapter programming achievement and more members, chapter officers, and advisors had increased opportunities for individual recognition.

Chapter rankings in the Hallmark Awards are also provided to regions for use in their awards programs.

Rubrics for Hallmark Awards were introduced in 2005, following extensive study by a second task force, and increased the parity of the competition by establishing specific criteria for scoring award applications. As of 2011, the Hallmark Award applications have migrated to an entirely online process, which resulted in an increase in participation.

A total of 1,976 entries were received in the 2017 Hallmark Awards competition. The award recipients, in the chapter, region and individual categories, reflect a wide geographic and demographic diversity that mirrors the Society overall.

## **Alliance for Educational Excellence Award**

The Alliance for Educational Excellence Award is presented to an organization, association or foundation for distinguished contribution to further excellence in education on a national or international level. This award is presented only in those years when the contribution to excellence meets the highest of standards and yields substantial impact.

## **Academic Partnerships**

This award is being presented in recognition of the work Academic Partnerships has undertaken to help community colleges meet the challenge of internationalization. As a result of Phi Theta Kappa's work with Academic Partnerships, community college students have increased access to academically rigorous curricula that contributes to the development of a global mindset and access to meaningful credentials from global universities.

### Distinguished Alumna Award

In years when it is appropriate, Phi Theta Kappa recognizes an alumna or alumnus who has made an impact on a global scale. This award is not presented every year and is reserved for alumni who have provided extraordinary leadership and made an impact on a national or international level.

**Dr. E. Ann McGee**  
President  
Seminole State College  
of Florida

Since her induction as a member at St. Petersburg College in Florida, Dr. E. Ann McGee has provided unwavering support to Phi Theta Kappa.

"As a college president, she has ensured that students understood the value of membership and that the chapter had access to resources to engage in Phi Theta Kappa programs on all levels," said Phi Theta Kappa President and CEO Dr. Lynn Tinchler-Ladner. "We applaud her for her outstanding commitment to Phi Theta Kappa, to community colleges and higher education."

Through McGee's work with the All-Florida Community College Academic Team, hundreds of students have been recognized for their outstanding academic and extracurricular achievements.

Since her selection as a member of the Phi Theta Kappa Presidential Advisory Board, she has been a true ambassador for the Society by making connections with other college leaders in order to increase opportunities for Phi Theta Kappa members.

As a former Trustee of the Phi Theta Kappa Foundation, she worked tirelessly to promote initiatives such as the Oberndorf Lifeline to Completion Scholarship Endowment Challenge. McGee was the first recipient of Phi Theta Kappa's Council Gold Medallion and also received the Shirley B. Gordon Award of Distinction among numerous other national awards.

During McGee's tenure at Seminole State, the college has grown from a single campus to a comprehensive college with four campuses and six sites with 30,000 students to become the ninth largest of the 28 institutions in the Florida College System.

She is also a founding architect of the DirectConnect to the University of Central Florida (UCF) program, which has become a national model for state colleges and universities.

Fundraising has also seen tremendous growth under McGee, with the Foundation for Seminole State College growing from \$1 million in assets to more than \$21 million.

McGee celebrated her 20th anniversary at Seminole State in February 2016 and is only the second president in the college's 50-year history. She serves on the Board of Directors for the American Association of Community Colleges (AACC), in addition to several other educational and charitable boards. In 2012, McGee received a Fulbright Community College Administrator Seminar Program Award that took her to Russia for meetings with higher education administrators to determine opportunities for partnerships with U.S. community colleges.

She earned Bachelor of Arts in speech and Master of Arts in communication from Florida State University, where she was also inducted into Phi Beta Kappa; and a Doctor of Education in higher education administration from Nova Southeastern University.

**Board of Directors****Alumni Achievement Award**

The Board of Directors Alumni Achievement Award recognizes Society alumni who continue to support the mission Phi Theta Kappa on chapter, regional and international levels long after their community college experience ends.

**Dr. Jacob "Jake"  
Farbman**

Dr. Jacob "Jake" Farbman, who serves as Director of Communications for the New Jersey Council of County Colleges (NJCCC), was inducted into the Alpha Pi Omega Chapter of Phi Theta Kappa at

Salem Community College in 1994. More than 20 years later, he continues to be an enthusiastic and dedicated advocate for the Society.

In his role with NJCCC, he has overseen the annual Phi Theta Kappa Day, which celebrates and recognizes members of the New Jersey All-State Academic Team. Additionally, Farbman has worked with the New Jersey college presidents to raise nearly \$1 million annually in scholarships from New Jersey's senior institutions. These scholarships are awarded to members of the New Jersey All-State Academic Team who pursue their bachelor's degrees in New Jersey.

In 2013, Farbman was instrumental in collaborating with the New Jersey PTK chapters and Middle States Region to promote and champion the first statewide C4 Initiative that engaged students, faculty, staff, administrators and community members throughout the state in a show of support for improving community college completion in New Jersey. Through Farbman's work in promoting this annual event, the New Jersey C4 efforts have received local, state, and national media attention.

"Jake's continued commitment to serve the members of Phi Theta Kappa in New Jersey and the Middle States Region is indicative of how he truly believes in the power of the Society to change lives," said Board Vice Chair Pattie Van Atter, who also serves as Middle States Regional Coordinator. "It drives him to reach out for more scholarship opportunities, obtain funding for chapter C4 events and recognize the very best of the best in New Jersey each year.

In addition to his duties with the Council, Farbman serves as an adjunct professor of communication studies at The College of New Jersey (TCNJ) in Ewing. Since January 2001, he has taught Introduction to Communication Theory and Strategies of Public Relations.

Farbman holds a doctorate in education in community college leadership, a master's degree in corporate public relations and a bachelor's degree in communication all from Rowan University. He also holds an associate degree in communications/journalism from Salem Community College.
