YARD SALE

JUNE 26, 2021 - 6am-11am

Our yard sale event was approved! We still need volunteers to help with getting tables, hauling unsold items, and volunteers to help with the actual event.

HiA / COLLEGE PROJECT

HiA - We currently have research going on in several areas such as: language, culture, and addiction.

The goal of HiA is to develop a question we can put research behind and implement to one of the seven themes found in our honors topic study guide.

If you're interested in joining in on the meeting, please reach out to Beth Carraway at:

beth.carraway@hgtc.edu

COLLEGE PROJECT - The goal of the college project is to implement a project idea that would better help our school and its students. We will be pitching our ideas to Dr. Fore on May 27th at 10am. If you are interested in going, please reach out to Beth Carraway as soon as possible.

Current Project Ideas Include: PTK Memorial Garden and Sustainable Farm. All members are welcome to join and share ideas!

FUNDRAISING

We are still in the process of looking for more ideas for our chapter fundraising. Fundraising is the best way to make sure that the chapter has money to put toward events and various opportunities for its members. If you have any ideas for fundraising, you can reach out to any of the advisors or chapter officers to pass your ideas along!

Please pass your ideas along to our VP of Fundraising, Kassey Romano: kromano@wavenet.hgtc.edu

SPRING LEADERSHIP TRAINING

Join us on June 5 from 10:00am to 4pm via Zoom to learn about Phi Theta Kappa! We'll feature team building activities, Phi Theta Kappa and chapter operations roundtable sessions, College Project and Honors in Action overview, and end with an Escape Room hosted by your regional officer team. Registration is required and is free!
