

SERVING THE CAROLINAS

According to the United States Interagency Council on Homelessness, as of January 2019, 767 families in North Carolina and 275 families in South Carolina were experiencing homelessness. That means we have an opportunity to assist 1042 families in the Carolinas region. Homeless children often do not have access to school supplies or proper nutrition affecting their performance at school. These children score lower than their housed peers on achievement tests and are less likely to be promoted at the end of the school year. Your regional officer team decided that the best way to make a difference locally and regionally is to collect canned goods and school supplies to donate. You can either serve a shelter or individual by performing voluntary service, advocate for change in your community and/or make a monetary donation online to The Salvation Army. We hope we can all come together to help those in need.
