PHI THETA KAPPA AWARDS

Phi Theta Kappa’s first awards were presented for individual prose and poetry entries. The earliest chapter awards included:

- Tri-Forum Award – for an outstanding project on the Phi Theta Kappa Honors Theme, forerunner of the Honors Study Topic
- Mosal Cup – for the best yearbook entry
- Gamma Sigma Travel Award – recognizing the chapter who traveled the greatest distance to the Annual Convention
- Outstanding Male and Female Sponsor Awards (sponsors are now known as advisors)

By the mid-1970s, awards were also presented to the top 10 chapters and advisors, and to the most distinguished member, advisor, alumni advisor, college president and alumnus. Many awards were presented by friends of Phi Theta Kappa, by advisors and by chapters to recognize specific achievements. Additional creative awards were presented to entries in the categories of art and music.

In 1988 the first Awards Task Force was appointed and charged to bring equity and specificity to award offerings. From this Task Force came the Five Star Chapter Plan and Hallmark Awards Program.

The Five Star Chapter Plan was established to provide a step-by-step guide for building a strong chapter and an understanding of the level of programming needed to be competitive against other chapters. Chapters are recognized for Five Star accomplishments but do not compete against other chapters for recognition.

Hallmark Awards, based on competitively-judged applications, recognize excellence in the Society’s Hallmarks of Scholarship, Leadership, Service and Fellowship. The Awards include more than 30 categories for chapters, regions, members, officers, advisors, alumni and administrators.

Honors in Action Projects must address the current Honors Study Topic and incorporate academic research and analysis, leadership roles and leadership development, action (service or advocacy), collaboration and reflection. The 2018-19 Honors Study Topic, Transformations: Acknowledging, Assessing and Achieving Change, includes nine themes.

The College Project is a joint collaboration between the chapter and college and can be anything that supports the college’s mission.

To be considered for a Distinguished Chapter Award, a chapter must submit entries for both the Honors in Action Project and College Project Award. Selection of the 2019 Distinguished Chapters were based solely on the entries for these Hallmark Awards. Chapters achieving Distinguished Chapter level for three or more consecutive years are named Beta Alpha Continued Excellence Chapters.

A total of 2,340 entries were received in the 2019 Hallmark Awards competition. The award recipients, in the chapter, region, and individual categories, reflect a wide geographic and demographic diversity that mirrors the Society overall.

INTERNATIONAL HONORARY MEMBER

Considered Phi Theta Kappa's highest honor for a non-member, the International Honorary Member award is not given every year, but only when the Society identifies an individual who has provided extraordinary support to Phi Theta Kappa.

Dr. Gellman-Danley will receive her International Honorary Member award at Phi Theta Kappa's Presidents Breakfast during the American Association of Community Colleges' 99th Annual Convention in Orlando, Florida.

Dr. Barbara Gellman-Danley, President

Higher Learning Commission
Chicago, Illinois

Dr. Barbara Gellman-Danley was named president of the Higher Learning Commission (HLC) — the largest of the seven regional higher education accreditors — in 2014. HLC is responsible for accrediting post-secondary institutions in 19 states.

Prior to joining HLC, Gellman-Danley served as president of the University of Rio Grande/ Rio Grande Community College in Ohio. She has also served as vice chancellor at the Ohio Board of Regents, president at Antioch University McGregor in Ohio, vice president at Monroe Community College in New York, and vice chancellor at the Oklahoma State Regents for Higher Education.

Gellman-Danley has held several board and commission memberships in her career, including the Association of Governing Boards Council of Presidents, the American Council on Education Commission on Education and Attainment, the Council on Adult and Experiential Learning board, and the ETS National Community College Council. She has consulted at more than 30 institutions on strategic planning, the role of technology in higher education, distance learning, and related topics.

She holds a bachelor's degree from Syracuse University, master's degrees from Simmons College and Oklahoma City University, and a Ph.D. from the University of Oklahoma. She also did post-graduate work at New York University and earned continuing education from Cornell University, Harvard University, and the University of Chicago.

Gellman-Danley earned her credential as a Certified Professional Coach from the Institute for Professional Excellence in Coaching in 2016 and as an Associate Certified Coach from the International Coaching Federation in 2018. She also earned certification in social and emotional intelligence assessment from the Institute for SEI in 2018.

She is currently enrolled in the Happiness Studies Academy, positive psychology coaching. Her coaching focuses on executive coaching for college presidents.

HONORS CASE STUDY CHALLENGE

Phi Theta Kappa sponsors the Honors Case Study Challenge to encourage scholarship while promoting civic engagement among college students. The Challenge provides chapters with the opportunity to supplement their Honors in Action research based on the current Honors Study Topic (Transformations: Acknowledging, Assessing, and Achieving Change) with the use of newspapers of varying viewpoints. The Challenge also provides members an enhanced learning experience through the use of newspapers, print or online, and encourages them to stay abreast of current events.

Individual members or chapters may enter the competition. The four award-winning entries received a \$500 scholarship award.

TRANSFER HONOR ROLL

The Transfer Honor Roll recognizes excellence and success in community college transfer pathway development among four-year colleges and universities. The top 25% of colleges were selected based on their Transfer Friendliness Rating, a score earned by creating and completing a Transfer Profile in PTK Connect. Transfer Friendliness Ratings reflect what the transfer student experience is like at their colleges, as well as the strategies colleges are taking to support and enroll transfer students.
